

**U.S. Department of Justice  
Bureau of Alcohol, Tobacco, Firearms and Explosives**

**H. Richard Holgate, PhD**

**Assistant Director for Science & Technology / Chief Information Officer  
Bureau of Alcohol, Tobacco, Firearms and Explosives  
U.S. Department of Justice**

Since August 2009, he has been responsible for strategy, planning, management, and delivery of ATF's information technology (IT) and forensic services. He oversees all aspects of IT services; leads ATF's financial investigative services; and manages ATF's forensic science laboratories and its fire research laboratory.

From 2004 to 2009, he was the Assistant Director for IT and Command Information Officer at the Naval Criminal Investigative Service (NCIS).

He previously worked at BearingPoint, Inc., and at the MITRE Corporation.
