Preparing for Mid Tier Success

Create Organizational Infrastructure

- Developing/Enhancing a Competent Management Team
- Enhancing Quality Certifications – CMMI, ISO, PMI, ITIL
- Establishing Adequate Financial Capabilities
- Establishing an Audited Accounting System – DCAA Audit
- Obtaining Facility and Personnel Clearances
- Providing Staffing – Recruitment and Retention
- Build a Portfolio of Resumes

Generate Revenue

- Creating Teaming Relationships
- Capability to Develop Competitive Proposals
- Ability to Manage Contracts
- Reporting Systems on IDIQs and GWACs
- Build a Portfolio of Clients
